Round Rock ISD

2024-2025 ANNUAL SCHOOL SUPPLIES PROJECT

Request for Support

ABOUT THE PROJECT

Round Rock ISD Partners in Education Foundation's Annual School Supplies Project is an opportunity for local businesses, organizations, and community members to help provide basic school supplies to Round Rock ISD students in need and Early Career teachers to ensure they have the proper tools at the beginning of and throughout the entire school year.

We rely on **monetary donations** from our generous partners within the community to sponsor the purchase of BRAND NEW, District-approved, school supply kits for students who cannot afford to purchase supplies on their own. These kits are purchased and delivered directly to each campus that requests assistance. We also use these funds to help stock our Resource Boutique with school supplies for replenishing students' supplies throughout the school year.

We need your help to ensure that the **12,144 Round Rock ISD students (26.41%)** with financial need and **350 Early Career Teachers** receive supplies for the 2024-2025 school year.

We invite local businesses and community members to host a "school supply drive" to collect new school supplies, which will be included in over 350 "Welcome Boxes" for Early Career Teachers, pencil bags to be given out at RRISD's Annual Back to School Celebration, and to stock our Resource Boutique. Drives can be hosted throughout the year!

BACK TO SCHOOL CELEBRATION

The School Supplies Project will come to a finale on Saturday, August 3, 2024 at the Annual Back to School Celebration! Round Rock ISD, in partnership with RRISD Partners in Education Foundation, will host over 3,700 RRISD students and families. Attendees will enjoy games, activities, and have the opportunity to receive vaccinations and physicals from Presenting Sponsor, Texas Children's Hospital.
