Support Students and Teachers in Need

Did you know that of the **48,000 students** in Round Rock ISD, **19.2%** of them face financial hardship, forcing their families to choose between buying groceries or essential school supplies? Additionally, more than **350 early-career teachers** need help equipping their classrooms with the tools necessary for student success.

You Can Make a Difference

By donating to the **Annual School Supplies Project**, you can help ensure that every student and teacher has the resources they need for a successful school year. Thanks to generous community partners like YOU, the RRISD Partners in Education Foundation provides essential school supplies to those who need them most.

Your contributions will help fund:

- **Brand-new, District-approved school supply kits** for students in need.
- **350 "Welcome Supply Boxes"** filled with classroom essentials for new teachers.
- **Stock for the Resource Boutique**, which provides supplies to students throughout the entire school year.
