SCHOOL SUPPLIES *Project*

Thank You for Making a Difference!

Through **Round Rock ISD Partners in Education Foundation's Annual School Supplies Project**, thousands of students and teachers across Round Rock ISD will start the school year feeling seen, supported, and set up for success. We are deeply grateful for our partnership with companies, organizations, and dedicated community members for helping us build brighter beginnings for our students and educators.

Of the 48,000 students in Round Rock ISD, 19.2% face financial hardship—many families must choose between buying groceries or essential school supplies. With the help from our partners, the Foundation will distribute 3,533 School Supply Kits, 250 Early Career Teacher Supply Boxes, and 15,000 Take-Home Folders for Elementary Students.

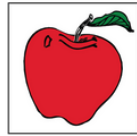

Initiatives like the Annual School Supplies Project strengthen school communities by ensuring all students have the tools they need to succeed. By removing barriers and promoting equity, we create a more inclusive, supportive environment where families, educators, and community members work together to help every child thrive.

Thank you to all of our sponsors and in-kind donors for investing in a stronger, more equitable start to the school year for students across our district. Your generosity helped ensure that students have the essential tools they need to feel confident and prepared on day one.

A special thank you to our **Presenting Sponsor, Texas Children's Hospital**, for leading the way in making this impact possible. Your investment in our students and educators helps create a stronger, more equitable start to the school year.

With Gratitude,

Round Rock ISD Partners in Education Foundation
